*All family spaces are highly interactive including the fabulous open kitchen, hearth room with children's flex space, built-in coffee bar and banquet. The family room opens to an outdoor lounge with fireplace and adjoining terrace. The grand curved entry foyer reaches up two stories along with its richly finished staircase. A retro anterom with an art niche adds style to the guest powder room.*

*The main gallery space opens to the formal dining hall and intimate "his" and "her" offices – which are separated by a fireside wine lounge. All the bedrooms are located on the second level including the owner's suite wing with its own fireplace, L-shaped master bath, enormous walk-in closets and built-in dressing area. Three additional bedrooms are also located on the second level along with the spacious family flex room. The angled four-car garage offers a covered arcade to the mudroom, children's drop zone, laundry and powder room. The flexible lower level is wide open with a bar, lounge and games area.*
